Dear Members,

To ensure the health and safety of our Derrick Skating Club members, coaches and volunteers, our response to COVID-19 continues to evolve as we take action to minimize the spread of the virus. The Derrick Skating Club is closely monitoring the news from the World Health Organization, Skate Canada, Alberta Health Service, and the City of Edmonton. We are also closely watching the decisions of key partners such as school boards and sporting organizations. Thank you for your patience and cooperation.

With recent updates to City of Edmonton Recreation Facilities (as of March 13 at 7:00 pm), requiring that activities running in City rec centres limit the number of participants to 50 people or fewer, we will be cancelling some of our programming and modifying others in order to meet Alberta Health Services standards and City of Edmonton Recreation Facilities restrictions.

For Saturday March 14 through Sunday March 29.
