JUNE Skater Activities

Upcoming Club Activities for JUNE. Watch our DSC Google Classroom for more info & reminders! These Skater Activities are for **all** skater levels...

1. Together while Apart Montage! We are asking all skaters to submit a short 10-20 second video clip of them performing something/anything skating related off the ice (any jump, spin, spiral, cross overs, artistic performance, and more). Email these short clips to the office to be part of an exciting DSC Video Montage that will be shared on our Social Media platforms later in June!! Videos due: June 11.

2. What the Skate? Take a photo of yourself, in your skates, in situations where you would not expect to find someone wearing skates!! Email your photos to the office anytime in June to be included in various "What the Skate?" posts. Be creative and have lots of fun! We can't wait to see where we will find skates!

May Solo Performances

In May, we were delighted to receive 20 submissions for the Video Performance of skater's solos. The creativity, expression and participation was a real treat for the coaches to review and enjoy.

All 20 skaters who submitted videos will have a DSC prize in the office upon our return to the arena.

Summer Skating Update

As we enter June – we enter our Summer Skating Season, with obvious modifications having no ice yet! We are at a time where we are moving towards getting back to skating. These structured off ice classes will help our skaters become ice ready. This will also give DSC families weekends "off". When appropriate, these off ice sessions will move from Zoom to "in person" sessions outdoors (more information to come).

- 1. Conditioning** – Zoom conditioning classes on Mondays at 5:00 pm (starts June 8). Recommended for skaters 11 years+.
- 2. Yoga** – Zoom yoga classes on Wednesdays (starts June 3). 2 age groups: Skaters under 11 years at 1:00 pm; Skaters 12 years+ at 2:00 pm.
- 3. Functional Strength & Stretch** - Zoom functional strength & stretch classes on Thursdays (starts June 4th). 2 different leveled groups: Junior/Jr Prep/IFSA skaters at 4:00 pm; Intermediate skaters at 5:00 pm.

All classes will run for approximately 45 minutes. Attendance will be taken at each class and member accounts will be billed \$5/class as a drop-in fee at the end of June.

Zoom links will be posted on Google classroom.

Design a Skating Outfit

Our May design a skating outfit challenge saw so many creative submissions for costume ideas. We were very pleased to see our skater's creative & artistic talents!

All 16 skaters who submitted an outfit design will have a DSC prize in the office upon our return to the arena.

Bingo Update

Due to COVID-19, all Bingo Halls are currently closed. We do not anticipate Bingo Halls to be open for our July 10th Bingo Date, so no sign up will be posted at this time.

THANK YOU to all who completed the DSC Membership survey already. Member feedback is incredibly valuable to our return to ice planning. Members have until June 5 to have a voice in this survey.

We all look forward to returning to the rink when it is safe for us to do so. In the interim, please join the online & in person off ice sessions.
